

Section/Path	Bug / Concern Description	Screenshot	Tester Name	Status	Priority	Developer Name	Comment
[Admin Panel] QA Course> Manage Course> Click Add Course	Expected Result: The "Price" field should be mandatory when "Paid Course" is selected as the course type. Actual Result: The "Price" field is optional even when "Paid Course" is selected, allowing the form to be submitted without a price.	Recording 2025-02-04 163357.mp4	Tabassum				
[Admin Panel] QA Course> Manage Course> Click Add Course	Expected Result: The "Discount" field should be mandatory when "Discounted Course" is selected as the course type. Actual Result: The "Discount" field is optional even when "Discounted Course" is selected, allowing the form to be submitted without a discount value. [UI] >QA Courses> See Course Type	Expected Result: The course type option should be labeled as "Discounted Course" to maintain consistency and clarity. Actual Result: The course type option is incorrectly labeled as "Discounted Course1", which seems to be a typo.	Screenshot	Tabassum				
[Admin Panel] QA Course> Manage Course> Click Add Course	Actual Result: The system displays an incorrect and irrelevant error message: "Title cannot be only numbers. It must contain at least one letter." when the field is left empty. Expected Result: If the "Title" field is left empty, the system should display an appropriate error message such as: "Title is required. Please enter a valid title."	Input Error Message	Tabassum				

[Admin Panel] QA Course> Manage Course> Click Add Course	<p>Actual Result: The system displays an incorrect and irrelevant error message: "Description cannot be only numbers. It must contain at least one letter." when the field is left empty</p> <p>Expected Result: If the "Description" field is left empty, the system should display an appropriate error message such as: "Description is required. Please enter a valid title."</p>	Input Error Message	Tabassum				
[Admin Panel] QA Course> Manage Course> Click Add Course > Course Start	<p>Actual Result: If the Admission Over date is selected first and the Course Start date second, the system allows the Admission Over date to be later than the Course Start date.</p> <p>Expected Result: The Admission Over date should always be before or equal to the Course Start date, regardless of the selection order.</p>	Video					
[Admin Panel] QA Course> Manage Course> Click Add Course > Add Extra Content	<p>Actual Result: The Extra Content field is marked as required, but it can be deleted.</p> <p>Expected Result:</p> <ul style="list-style-type: none"> • Users should not be able to delete the Extra Content field if it is required. • If deletion is allowed, the system should not enforce it as a required field. 						
[Admin Panel] QA Course> Manage Course> Click Add Course > Course Details Section	<p>If the section title or section title in Bangla remains empty</p> <p>Actual Result: The error message displayed: "A section with the same title or Bangla title already exists." (Incorrect)</p> <p>Expected Result: Error message: "Section title or Section title in Bangla is required."</p>	Future Discussion		Tabassum		Image	
[Admin Panel] QA Course> Manage Course> Click Add Course > Course Details Section	<p>If the Subsection title or Subsection title in Bangla remains empty</p> <p>Actual Result: The error message displayed: "This subsection already exists." (Incorrect)</p> <p>Expected Result: Error message: "Subection title or Subsection title in Bangla is required."</p>	Future Discussion		Tabassum		Image
